GENE

FOUR PRODUCTS ON ONE PLATFORM

The future of maintenance and operation.

Four products on one platform, from the substation to the store floor.

01

SENSE

Robots, drones and sensors

02

DECIDE

GENESYS AMS & LES

03

OPERATE

GENESYS SCADA

04

ACT

Crews in the field

→ From a robot's round to a crew on site, with nothing lost on the way.

Four products and partnership.
